WITH INFINITE GOLD, YOU CAN HAVE IT ALL!

Over the past 10 years, cantaloupes have been limited to one of three attributes: durability, yield and flavor. **But now you don't have to choose.**

Introducing Infinite Gold:

- Infinite Gold offers a unique flavor that has been missing from cantaloupe varieties in recent years.
- Infinite Gold's long shelf life means this melon will hold longer on the shelf once on display in stores.
- The LSL qualities of Infinite Gold means that they will continually arrive fresh to stores, even after a long journey.
- Consumers will cut into a ripe Infinite Gold melon and immediately see and taste the difference!

AUGUST 2013: SENSORY EVALUATION		
CHARACTERISTICS	INFINITE GOLD	LEADING COMPETITOR
Musk/Melony	9.1	6.6
Floral/Pumpkin	4.5	3.3

AUGUST 2013 OVERALL RATINGS:		
QUALITY FACTORS	INFINITE GOLD	LEADING COMPETITOR
Overall Appearance	12.2	11.5
Overall Flavor	13.4	12.6
Overall Texture	11.9	11.5
Overall Aroma	12.2	10.5
OVERALL QUALITY	12.6	11.8

In third-party research studies, Infinite Gold ranked highest for flavor, texture, and aroma. Infinite Gold was also rated highest for physical characteristics such as rind color, flesh color, and external color balance. Research provided by SCS Global Services—A third-party environmental and sustainable certification, auditing, testing and standards development company located in Emeryville, California.

WE PUT INFINITE GOLD TO THE TEST

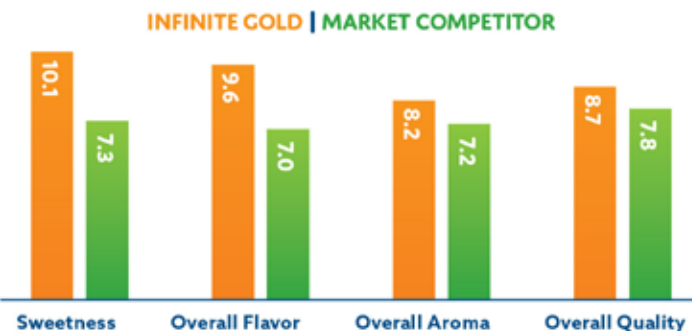

Recent shelf life and flavor analysis confirms Infinite Gold maintains freshness and true cantaloupe taste 14+ days longer than market competitors.

BRIX COMPARISON

When compared to competition, Infinite Gold lasts longer and offers better eating experience from beginning to end.

SENSORY EVALUATION

This evaluation was conducted by SCS Global Services, a provider of third-party environmental and sustainable, auditing, testing and standards development, to help evaluate shelf life and sensory information for both Infinite Gold and a recently introduced market competitor (claiming extended shelf life).

Infinite Gold is a long shelf life melon that actually improves flavor profile, color and juiciness with time!
