

Chinese Cabbage **FOCUS**

Baby Napa

China King (Hybrid)

China King is a miniature (baby) type of Chinese cabbage. Suitable for planting in close spacing as it has a compact frame. It has barrel-shaped heads with yellow interior color. It is slow bolting and tolerant to tipburn.

- Compact frame suitable for dense planting
- Early maturity and slow bolting
- Nice uniformity

Variety	Type	Days to Maturity from Direct Seed	Head Color	Head Shape	Head Size	Disease Resistance	Uses & Remarks
China King	Baby Napa	75-80	Green	Barrel	Compact		The compact plants are suitable for close spacing, are bolt tolerant, and resistant to tipburn.

Disease terminology: IR = Intermediate Resistance, T = Tolerance. Disease code: BLS - Black leaf speck, Pb - Clubroot, TpB - Tipburn.

* Days to Maturity are an approximation and may fluctuate due to varying planting times, location and conditions.

DISCLAIMER: Claims and other disclosed information are based on our observations and/or information from other sources. Crop performance depends on the interaction between the genetic potential of the seed, its physiological characteristics, the environment, including management, and other uncontrollable factors that may alter expected performance. Statements on the reaction of varieties to a specific pathogen, pest or stress are based on evaluation under defined conditions. These reactions can be affected by changes in environmental and biological factors, especially new pathogen races, pest biotypes or vectors of disease agents. Therefore, we give no warranty, express or implied, for crop performance relative to the information given; nor do we accept any liability for any loss, direct or consequential, that may arise from any cause. Read all seed package labeling carefully as it contains terms and conditions of sale.
