

Cucumber **FOCUS**

Japanese Slicing

Tasty Green (Hybrid)

Tasty Green is an early, heavy-yielding, hybrid burpless cucumber. The fruit is long, slender and dark green with shallow ridges and small white spines. Tasty Green is resistant to powdery mildew and intermediately resistant to downy mildew. The fruit is nine inches long and 1.5 inches in diameter. This variety is suited for field or greenhouse culture. Tasty Green is Sakata's most popular burpless cucumber and a home garden industry standard.

- Japanese slicing type
- Heavy yielding
- Easy to grow even under adverse conditions

Variety	Type	Days to Maturity from Direct Seed*	Fruit Shape	Exterior Characteristics	Exterior Color	Sex	Disease Resistance	Uses & Remarks
Tasty Green	Japanese Slicing	Early / 60	Long	Faint ridges, tender	Dark Green	ME	HR: Sf IR: Pcu	Fine flavored and easy to grow even under adverse conditions.

Disease terminology: HR = High Resistance, IR = Intermediate Resistance. Disease code: Ccu - Scab, CMV - Cucumber mosaic, Co - Anthracnose, Pcu - Downy mildew, PRSV - Angular leaf spot, Sf - Powdery mildew, WMV - Watermelon mosaic, ZYMV - Zucchini yellow mosaic.

Sex: ME - Monoecious, PF - Predominantly female.

* Days to Maturity are an approximation and may fluctuate due to varying planting times, location and conditions.

DISCLAIMER: Claims and other disclosed information are based on our observations and/or information from other sources. Crop performance depends on the interaction between the genetic potential of the seed, its physiological characteristics, the environment, including management, and other uncontrollable factors that may alter expected performance. Statements on the reaction of varieties to a specific pathogen, pest or stress are based on evaluation under defined conditions. These reactions can be affected by changes in environmental and biological factors, especially new pathogen races, pest biotypes or vectors of disease agents. Therefore, we give no warranty, express or implied, for crop performance relative to the information given; nor do we accept any liability for any loss, direct or consequential, that may arise from any cause. Read all seed package labeling carefully as it contains terms and conditions of sale.
