

Melon FOCUS

Eastern Shipper

Atlantis (Hybrid)

Atlantis is an Eastern melon with a round-oval shape. It has excellent interior qualities, including firmness and consistently high sugar content for high consumer appeal. Atlantis can be used either as a shipper or farm market variety.

- Strong, vigorous vines
- Excellent field performance

Variety	Type	Relative Maturity*	Fruit Size / Shape	Rind Characteristics	Interior Characteristics	Disease Resistance	Uses & Remarks
Atlantis	Eastern Shipper	Early	4-5 lb / round	Full fine net, shallow sutures	Dark orange flesh	HR: Fom: 0-2 / Px: 1 IR: Px: 2	Excellent field performance. Strong, vigorous vines.

Disease terminology: HR = High Resistance, IR = Intermediate Resistance. Disease code: Fom - Fusarium wilt, St - Powdery mildew.

* Days to Relative Maturity are an approximation and may fluctuate due to varying planting times, location and conditions.

DISCLAIMER: Claims and other disclosed information are based on our observations and/or information from other sources. Crop performance depends on the interaction between the genetic potential of the seed, its physiological characteristics, the environment, including management, and other uncontrollable factors that may alter expected performance. Statements on the reaction of varieties to a specific pathogen, pest or stress are based on evaluation under defined conditions. These reactions can be affected by changes in environmental and biological factors, especially new pathogen races, pest biotypes or vectors of disease agents. Therefore, we give no warranty, express or implied, for crop performance relative to the information given; nor do we accept any liability for any loss, direct or consequential, that may arise from any cause. Read all seed package labeling carefully as it contains terms and conditions of sale.
