

Pumpkin **FOCUS**

Monster / 30 lb +

Captain Jack (Hybrid)

Captain Jack is an extra-large, dark orange Jack O'Lantern-type pumpkin. Its thick flesh and flat bottom enables the fruit to stand on its own. Extremely large, thick embedded handles match the large size of this pumpkin. Large and vigorous plants can support several fruit.

- Several large fruits per plant retain large fruit size
- Requires lower plant population to obtain larger size

DISCLAIMER: Any representations and other information are based on our observations and/or information from other sources. Crop performance depends on the interaction between the genetic potential of the seed, its physiological characteristics, the environment, including management, and other uncontrollable factors that may alter expected performance. Triploid hybrid watermelon varieties will on occasion produce white and hard, dark vestigial seed coats and, therefore, are not warranted to be completely "seedless". Statements concerning the reaction of varieties to a specific pathogen, pest or stress are based on evaluation under defined conditions. These reactions can be affected by changes in environmental and biological factors, especially new pathogen races, pest biotypes or vectors of disease agents.
