

Basil FOCUS

Basil

Italian Large Leaf

This strain produces broad, dark green leaves with a very pleasant aroma. The well-branched plants are moderately slow to bolt. Italian Large Leaf is recommended for gardeners and commercial growers alike. Organic and non-organic seeds are available.

- Excellent for potted and live herb production
- Moderately slow bolting

Variety	Type	Days to Maturity from Direct Seed*	Leaf Characteristics	Leaf Color	Bolt Resistance	Uses & Remarks
Italian Large Leaf	Basil	90	Glossy, medium broad	Dark green	Low	Excellent for potted and live herb production. Moderately slow bolting.

☉ = Open Pollinated. * Days to Maturity are an approximation and may fluctuate due to varying planting times, location and conditions.

DISCLAIMER: Claims and other disclosed information are based on our observations and/or information from other sources. Crop performance depends on the interaction between the genetic potential of the seed, its physiological characteristics, the environment, including management, and other uncontrollable factors that may alter expected performance. Statements on the reaction of varieties to a specific pathogen, pest or stress are based on evaluation under defined conditions. These reactions can be affected by changes in environmental and biological factors, especially new pathogen races, pest biotypes or vectors of disease agents. Therefore, we give no warranty, express or implied, for crop performance relative to the information given; nor do we accept any liability for any loss, direct or consequential, that may arise from any cause. Read all seed package labeling carefully as it contains terms and conditions of sale.
