

Cabbage FOCUS

Green / Round

Crystal Vantage (Hybrid)

This green, round cabbage will produce compact 'mini' heads when planted closely (about 8-inch centers). When planted at standard spacing, the heads will grow to full size yet still retain their nice, sweet flavor. Crystal Vantage is easy to grow, early to mature and disease resistant.

- Nice eating qualities for fresh market

Variety	Type	Relative Maturity*	Use	Head Color	Head Size	Disease Resistance	Uses & Remarks
Crystal Vantage	Green / Round	Early	Fresh	Green	Small	HR: Foc: 1	Nice eating qualities.

Disease terminology: HR = High Resistance, IR = Intermediate Resistance. Disease code: Foc - Fusarium yellows, TpB - Tip burn.

* Relative Maturity are an approximation and may fluctuate due to varying planting times, location and conditions.

DISCLAIMER: Claims and other disclosed information are based on our observations and/or information from other sources. Crop performance depends on the interaction between the genetic potential of the seed, its physiological characteristics, the environment, including management, and other uncontrollable factors that may alter expected performance. Statements on the reaction of varieties to a specific pathogen, pest or stress are based on evaluation under defined conditions. These reactions can be affected by changes in environmental and biological factors, especially new pathogen races, pest biotypes or vectors of disease agents. Therefore, we give no warranty, express or implied, for crop performance relative to the information given; nor do we accept any liability for any loss, direct or consequential, that may arise from any cause. Read all seed package labeling carefully as it contains terms and conditions of sale.
