

Mustard FOCUS

Baby Leaf / Bunching

Miz America (Hybrid)

Miz America is a strikingly beautiful red mizuna mustard hybrid with exceptionally uniform leaf color, shape and size. Miz America was bred to produce high quality baby greens and still maintain its deep, dark red color on both sides of the leaf, even at a mature stage. An upright plant habit and thick leaf decreases damage from inclement weather and makes for easy harvesting. Miz America has a pleasant, mild taste compared to typical mustards – not bitter or spicy.

- Maintains deep red color
- Mild peppery flavor
- Grown for baby leaf or mature leaf

Variety	Type	Days to Maturity from Direct Seed*	Plant Habit	Leaf Characteristics	Leaf Color	Bolt Resistance	Uses & Remarks
Miz America	Baby Leaf / Bunching	Mid-early / 20-25	Upright	Serrated spearhead	Dark red	Good	This variety could be used for both baby leaf and bunching.

* Days to Maturity are an approximation and may fluctuate due to varying planting times, location and conditions.

DISCLAIMER: Claims and other disclosed information are based on our observations and/or information from other sources. Crop performance depends on the interaction between the genetic potential of the seed, its physiological characteristics, the environment, including management, and other uncontrollable factors that may alter expected performance. Statements on the reaction of varieties to a specific pathogen, pest or stress are based on evaluation under defined conditions. These reactions can be affected by changes in environmental and biological factors, especially new pathogen races, pest biotypes or vectors of disease agents. Therefore, we give no warranty, express or implied, for crop performance relative to the information given; nor do we accept any liability for any loss, direct or consequential, that may arise from any cause. Read all seed package labeling carefully as it contains terms and conditions of sale.
